

Erratum

Platzer, "Color Atlas of Human Anatomy", Vol 1, Loc. System, 8th edition

ISBN 978-3-13-242443-2

Dear readers,

We would like to inform you of a correction to an error on page 216. The correct text at the bottom of the right column should be:

"In most cases there is a slightly elevated bony tubercle on the lateral surface of the calcaneus, the *peroneal trochlea* (**23**), under which runs the *groove for the peroneus longus tendon* (**24**)."

We regret this error and kindly ask you to take note of the correction.
